# What is (J2G)

# Why We Need Journey To Growth

# J2G complements DMC

- Changing economics of healthcare
- Focus resources on growing other sectors of our economy

This number could rise without intended economic diversification

40%

Dependent on one industry

#### A plan for the region

- Not focused on downtown Rochester
- Does not duplicate DMC or other plans

"It's about recognizing the assets of our region and doing what we can in a coordinated, region-wide, systematic way to maximize those assets."

-Rolf Thompson
Executive Director
National Eagle Center
